RE: Bill Z 66-01-18, introduced January 25, 1966
to rezone property at Superior and Wells
from "M-3" to "M-2"

Dear Bill:

As we reported to you orally on February 28, 1967, the Plan Commission may now recommend dismissal of the above ordinance because it is no longer needed.

Mrs. Wargo, the owner of the property at the time of the introduction of the ordinance, has sold the property to Ream-Steckbeck Co. who will erect a new store thereon.

Mr. Steve Steckbeck of the Company advises that their store building will be located approximately 78 feet back from Superior Street so that the rezoning will no longer be needed for the improvement of this property.

The rezoning was originally petitioned for because Mrs. Wargo wanted to rebuild a burned building which was located within the 75 foot set back line; she wanted to qualify the property for a motel court (which was prohibited in the zone) and to provide for rebuilding the property without 75 foot set backs or in case of fire.

With the sale of the property, these needs for improving the property no longer exist.

As you recall the City Plan Commission's final approval of the ordinance was subject to Mrs. Wargo executing a 20 foot set back along Wells and Superior Streets. We advised Mrs. Wargo of this requirement and submitted a waiver of form to her, but she has not yet determined to execute it. This question is also now moot.

Very truly yours,
